

1974 Pontiac Service Manual

Factory service and repair manual for all 1974 Pontiac series and model vehicles. Repair topics include: general information and lubrication, heating and ventilation, frame and body mountings, rear suspension, axle shafts, differential, propeller shaft, brakes, engine cooling and lubrication, carburetor and fuel pump, tune-up, emission controls, engine electrical, manual and automatic transmissions, clutch, fuel tank and exhaust, steering, wheels and tires, chassis electrical, accessories, and more. Great pictures, diagrams, specifications, and step-by-step repair instructions throughout.
