Joe Bragg! To the Ladies, hes Sex on Legs; to his mates hes the greatest. He lives a hedonistic lifestyle with an obsession for fast cars, football - and girls! A man of the Swinging Sixties and Seventies, he lives a gilded life never without incident. Who else would collect his parents ashes and tip the contents of one of the urns down the Toilet? Who else would achieve immortality by being flogged unmercifully by the Head of the local Grammar School? Who else would lose his virginity at the tender age of seventeen to an older woman in sublime erotic submission? Joes two chaotic and mind-numbing years doing National Service in the R.A.F. are followed by three memorable and highly entertaining years at Teacher Training College. Two Student summers working at a Seaside Cafe provide experiences and escapades that read like fiction. Similarly the epic FA Cup Tie and the unforgettable World Cup Party (1966) with its uninhibited drinking, frenetic dancing and mind-blowing sex provide anecdotes to last a lifetime. Join Joe Bragg on a journey beyond belief.
