

## Billionaires Retreat (Billionaire Romance)

Billionaires Retreat (Menage, Gay Erotica) -- 18+ Mature Audiences Only. (Scenes may involve more than two males, so do not continue if you are not comfortable with this.) As some of the richest and most influential men in the world, there wasn't much that Colder and his friends hadn't experienced. Still, no amount of money could have provided the intense and tantalizing kind of sex they all had with one another when Colder, Justin, Bryan, and Simon were all able to get together for their special retreat. For nine days out of the year, these powerful men become slaves for one another as they escape to the tropical paradise of The Bahamas. There they lie in the lap of luxury as they take a break from their power-steered lives and enjoy the passionate encounters they have all so desperately missed from one another.
