

La palabra magica (Spanish Edition)

En el estuche de joyas que es La palabra magica, donde Augusto Monterroso no nos ofrece sus maravillosas e ingeniosas (y breves) fabulas, sino maravillosos e ingeniosos (y breves) homenajes a autores y generos literarios, el propio Monterroso senala que cierto autor (se refiere a Borges) ha creado un estilo inimitable que uno desea imitar de inmediato. Lo mismo, exactamente, sucede con ese otro notable y misterioso y deleitable (y breve) autor que es Augusto Monterroso.
