

A Daughters Gift

A family torn apart. A daughters courage...When Elizabeth and her four sibling are orphaned, she and her brother are sent to a childrens home; their younger sisters into foster care. Life in the home is hard, but she is determined to look after her brother and make a better life for them both. Working as a nurse gives her a purpose but she risks everything by falling for wounded officer Jack Benson. Far above her in wealth and station, Elizabeth cannot marry him and she risks losing her nursing place if there is any hint of impropriety about her conduct. Then Elizabeth learns that her sister, Jenny, has been adopted by an abusive farmer. Torn between her hopeless love for Jack and her sister, must Elizabeth make an extreme sacrifice to reunite her family?
