

## A F\*\*ked Up Way To Love 2

A pregnant Karina is back after escaping death, almost losing her life over jealousy and betrayal. The plan for her demise backfired and she was the one who came out on top. Her best friend of over a decade was the last person she would expect to play a part in the set-up for her to die. Now she's at the point where she can't trust anyone not even her shadow. At the birth of Baby Kali reality sets in as Karina realizes that Baby Kali will never get a chance to meet her father, Travis because he was murdered at the hands of his own best friend over some unresolved beef that happened in the past. Putting the past behind, her only focus now is to raise Baby Kali the best way she can. Moving on with her life the last thing on her mind is to date a new guy, she's only interested in getting her life back on track. But what happens when she runs into Mario, an old friend from the past who wants to take things to the next level? Everything isn't what it seems to be in this sequel of A F\*\*ked Up Way to Love, and the drama is to soon unfold.
