

A New Gender: A Forced Feminization Erotica Tale (The Chronicles of the Institute for the Correction of Toxic Masculinity Book 1)

Ever wonder what it would be like to wake up as a beautiful woman? Joe finds out the hard way. Celebrating his divorce, Joe goes out with his buddy Mike to a new club in town filled with truly gorgeous women. In misplaced eagerness to get some oral sex and then some, Joe tries to slip Veronika, a striking German businesswoman, a roofie. Next thing he knows, the tables have turned. He is wearing her clothes and is willing to do anything for her, including close out his bank account and hand everything over to her. His options dwindle when he wakes in some kind of medical facility and discovers just what he's in for, for Veronika has changed his life in permanent ways he never imagined as he becomes the object of lust of straight men. Follow Joe's journey in this first book from The Chronicles of the Institute for the Correction of Toxic Masculinity.
