

## A Reckoning In Goldenburg

When Mason Sampson decided to try to make a living in a gold rush town in the New Mexico Territory in 1888, he never expected to fall in love with the sweet southern belle he met there. He also never expected to come face to face with the man who had murdered his parents. He would have to face the most important decision of his life. Vengeance or grace? There was certain to be a reckoning in Goldenburg. This book is #4 in the Austin Thread which includes: #1. The Man From Atlanta #2. Austins Justice #3. Blue Eyes in the Snow #4. A Reckoning in Goldenburg #5. Journey of Blood
