

No Good Deed Book Five: (Dagger of Destiny) (Volume 5)

Darius's family has put up with King Calamen for far too long. Now, they have a surprise in store for him. But little do they know that they aren't the only ones with a surprise. After Darius's ordeal with Malachi and his clan, he is returned home but does not seem himself. When questions arise, they find that all isn't as it seems with Darius. During his recovery, Darius, now called Paden by the original family, starts a journey of self-discovery and begins to find hidden talents, beginning with music. Just as things start looking up, he hears a far-off calling. The very landscape seems to call to him, especially a nearby mountain that draws him strongly. Darius cannot resist the pull of the place he feels he must climb, but he must also pay the ultimate price.
