

# Annuaire Europeen/European Yearbook, 1985 (Annuaire Europeen/European Yearbook)

The European Yearbook promotes the scientific study of nineteen European supranational organisations and the Organisation for Economic Co-operation and Development (OECD). Each volume contains a detailed survey of the history, structure and yearly activities of each organisation and an up-to-date chart providing a clear overview of the member states of each organisation. Each volume contains a comprehensive bibliography covering the years relevant publications.
