

## Everything I Have Is Blue: Short Fiction by Working-Class Men About More-or-Less Gay Life

In this age of Will & Grace and gentrification, the dream market and gay investment advisors, you don't hear much about working-class queers. In fact, some would even consider the idea a contradiction in terms. But the contributors to *Everything I Have Is Blue: Short Fiction by Working-Class Men About More-or-Less Gay Life* would beg to differ. The first collection of short stories by working-class queer, gay, and bisexual men, *Everything I Have Is Blue* is a rich and long-overdue contribution both to the burgeoning field of working-class studies and to LGBTIQ fiction.
