

Kate, a journalist in a small northern town, is fed up with covering black-pudding championships for the Slackmucklethwaite Mercury and living with Mum, Dad, and Gran in a semi called Wits End. When evil tycoon Peter Hardstone takes over the paper, slashes budgets, and sacks staff, Kates career hits an all-time low. However, gloom turns to glamour once Hardstones sexy son arrives to work on the Mercury. And when Kates sent with him to cover the glittering Cannes Film Festival, she cant believe her luck.
