

Best Foot Forward

After one bad experience, Iowa high school senior, triathlete, and fangirl Lucia Luc Guzman swore off relationships. Well, that was until Connor Kohlton and his southern accent moved to town. With the help of her childhood best friend, Jax Weber, she discovers her college only dating rule may be causing her to miss out on a great guy. Lucs parents have always taught her and her sister to put safety first and she applies that rule in all areas of her life; her training, her work, and her heart. However, she must throw caution to the wind when she decides she cant fight her feelings anymore But what will it cost her? When things start to fall apart, its hard to tell whos to blame, because everyone is putting their Best Foot Forward.
