

# Tinseltown

Film student Micah Malone learns the hard way that when life sucks, you cant just yell Cut! Lets do another take!His grades are a box-office bomb. His friends create more drama than a soap opera. And his love life needs a laughtrack. While theres no script to dictate what happens next, can Micah find the direction he needs? Life, after all, is no film school project. But it /is/ great source material. The /only/ source material.Let the cameras roll. Micahs quirky story has begun filming.
