

Klitzmans Empire (The Klitzman Stories Book 2)

The story of Harry Wiggins, an undercover operative caught in the evil web of Klitzmans Empire, continues. Harry does his best to establish his bona fides with his new bosses, while trying to hide the fact that he is working for the US intelligence agency whose name is never spoken. He finally get to meet Klitzman, himself, a depraved international criminal who uses his West Arican island as a resort where kidnapped young women are trained to serve as sexual slaves and satisfy the unrestrained erotic demands of the wealthy and powerful. Harry become more and more embroiled in the islands cruelties. His story is intertwined with the fate of several unfortunate, beautiful, young women who have fallen prey to Klitzmans minions. Not for the faint of heart.
