

The Hunted (Quest of Honor Book 1)

In the year 1073, Eric is the son of Germanias ambassador to Denmark. Filled with wanderlust and struggling to find his place in the world as he comes of age, he is often at odds with his father who wants Eric to manage the family estate and move into knighthood. But everything changes when Eric's parents are assassinated. With the castle burned and Eric hunted by the killers, he seeks a tenuous sanctuary with his uncle until he learns that he has been granted knighthood by the king and charged with avenging the ambassadors murder. With several suspects in play, Eric sets sail for Denmark. But his battle for justice and his own survival is only just beginning. Set against the backdrop of the turbulent political and social climate of the European Middle Ages, *The Hunted* is an epic tale filled with thrilling action, harrowing danger, and passionate romance. The first book in the Quest for Honor series, author R. J. Bucksath draws on rich historical details to weave a heroic story of revenge, honor, and destiny.
