

Debauched (Undone) (Volume 3)

One night in a moment of sheer madness I confessed my secrets to him. All my life I've been pretending. Pretending to be the woman I thought I should be instead of the woman I really am. I've been faking it and I am good. No one has ever guessed. Except him. He just looked at me and knew. Chad Fellows is not the man I want, but he's fast becoming the man I need. One night in a moment of sheer madness I held her in my arms and let her cry. I did the right thing, letting her walk away, no matter how much she calls to the part of me that wants to rescue her. We are nothing alike, and she's a mess of complications in a life I'm trying to keep simple. But then I touched her and made her tremble and now I can't turn away. Ruby Stiles is not the woman I want, but she's fast becoming the woman I need.
