

A descendant of Sitting Bull and Crazy Horse believes the five traits of the true warrior--passion, courage, heart, mind and body--are in himself. He feels called to exact long overdue vengeance against the white oppressors as part of the Creators Grand Plan. While thousands of Native Americans gather in Washington D.C. the pinto riding Avenger brutally impales the Secretary of The Interior with a Sioux lance. The U. S. President Elizabeth Chamberlain calls upon local detective Quinn Shannon to solve the case. The Harley-riding beer-drinking cop, his partner Jess Shoebloom and old Ben Soaring Eagle track the elusive Avenger, only to discover another shadowy assassin on the trail. Its a race against vengeance and death....
