

## Gender Swap Cheer Squad: (Feminization, Gender Transformation, Gender Bending)

Josh, youre gonna love this! Josh is completely mesmerized by the cheerleaders at his new college. Though theyre not particularly coordinated or all that together, they manage to take 1st prize in every competition theyre in. Its not long before he finds out that theres a devious little secret behind all of their medals. To keep winning, the cheerleaders need the help of Josh and his friends. A simple, little favor that requires the guys to become pretty and perky cheerleaders themselves! Theres a lot to learn before the next competition and practice gets a little delayed when the guys discover how much they like their new bodies! Warning: This story contains graphic taboo gender bending activity and explicit descriptions. 18+ only! BONUS! This book contains a few surprise gifts just for you. Inside youll find bonus free and full stories selected to keep your engine running. Enjoy! This is an expanded second edition of a previously released short.
