

Animal Rescue Warriors: A Lesbian Love Affair (Abandoned, Starving Dogs: Shame of A Nation Book 3)

Peter Ignatieff continues his cross country tour, this time finding a dedicated animal rescue duo who are lesbian and madly in love with each other. They are determined to one day marry and raise a family, but in the mean time, they use their strengths, talents, love, and every ounce of resources they can get their hands on to help try and stop the suffering of abandoned, starving dogs in the state of Texas. Peter is amazed at the selfless, caring and wonderful heart these two rescue workers possess as they brave all opposition and hardship to help suffering animals in need.
