

## Who I Was Supposed to Be: Stories

Behind every face in *Who I Was Supposed to Be*, is a singular quirk to explore, a peculiarity to celebrate. In Susan Perabo's world, nothing can be taken for granted: here, a retired grocer takes up jewel theft in his twilight years; a data processor squanders her inheritance on one of Princess Dianas gowns; a mugging victim feigns amnesia to win back his wife. In the tradition of Lorrie Moore, Susan Perabo's slightly off-center lens looks hard at the banal and the bizarre, and at the human condition, where she finds extraordinary magic within the smallest of gestures. Sharply written and overlaid with a mischievous wit, *Who I Was Supposed to Be* is an unforgettable homage to laughter, love, and wonder.
