

At the height of Andakas struggle for Independence from England, Yuri is a young, idealistic student, blinded by the notion of belonging to a free country. With African rule, however, life changes for the worse. The Government, drunk with power, becomes repressive and corrupt, forcing an exodus of Asians and Europeans. A rebel movement emerges, sworn to overthrow the Government. Guerilla attacks and assassinations aimed at destabilization become frequent and are met with even more brutal repression. Overnight, Yuri is drawn into a dark world of terror and violence. He becomes a killer, numb to the finality of death. Once the hunted, he is now the hunter, committed to the rebel movement which would right the injustices. But he does not realize that treachery in Africa knows no bounds...
