

The Sheriffs Second Chance (Harlequin Special Edition)

USA TODAY bestselling author Michelle Celmer takes us to Paradise, Colorado, where you can go home again. Its bad enough when Caitlyn Cavanaugh crawls back to Paradise with her tail between her legs after her life in the big city goes bust. But to run right into her ex, Deputy Sheriff Nathan Jeffries and still be attracted to the man is too much! True, she left him to pursue her dream after high school, but he wasted no time, maybe a month before marrying her best friend and having a child. Now that Caitlyn is back, it's Nathan's job to rescue this damsel in distress from a series of minor mishaps. Sure, the single dad's strategy is to keep up a cold, professional facade with the irritating beauty, but tell that to his heart!
