

Atlanta Nights

The world is full of bad books written by amateurs. But why settle for the merely regrettable? Atlanta Nights is a bad book written by experts. -- T. Nielsen Hayden Atlanta Nights is a book that could only have been produced by an author well-versed in believable storylines, set in conditions that exist today, with believable every-day characters. Accepted by a Traditional Publisher, it is certain to resonate with an audience. It fits their specialty like a glove. All proceeds from this book go to the Science Fiction and Fantasy Writers of America Emergency Medical Fund.
