

## In Too Deep

I just want a taste of you. Or a touch. My fantasies about you plague my every waking hour. My only comfort is imagining that similar fantasies might obsess you too. When young librarian Gwendolynne Price finds increasingly erotic love notes to her in the suggestion box at work, she finds them both shocking and liberating. But who is her mystery admirer and how long will he be content to just admire her from afar...? A dark sensual romance to fuel your fantasies, as recommended in Tracey Coxs Fifty Shades of Grey steamy reading list in the Daily Mail.
