

## Jakes List

Jake has been a weightlifter and a lady's man since he was in middle school. High school is now four years in the past, and Jake has a decent job and a good grip on life. Then while his guard is down, he ends up in bed with another male. Now Jake is questioning everything he thought he knew about himself. He faces possibilities he never considered, and as he looks back on his life, he begins to wonder if he was ever the rottweiler he assumed he was. Written by Tagenar. Cover art by Nudog, colored by Wuffamute. Jakes List is a work of anthropomorphic fiction for adult readers only.
