

## Jesus Freak

Born and raised the son of a Baptist minister, Jesse Collier thought he understood the difference between right and wrong perfectly. Luckily for him, a strange series of events and a very special man teach him that good and evil are much harder to tell apart than he was led to believe. Stepping away from the church, which had been the cornerstone of his life, Jesse eventually uncovers a very dark truth that, while it threatens to destroy his world, could put him on the path to true redemption. Please note, this book contains description of sex between men and references to abuse. If you find this subject matter upsetting, carefully consider whether or not you wish to read this book before purchase.
