

Dead Ahead (Jo Spence Mystery Book 3)

For lesbian Probation Officer Jo Spence, spring in the northland means firing up her motorcycle and enjoying the speed and exhilaration of her favorite pastime. Though an unsettling dream warns of approaching death, she shakes off the premonition. Only after a stalker grows ever more bold and threatening does Jo understand the mounting danger to herself and to her lover Zoey. Which unsavory character from Jos work life is responsible, and will she give up her career to save the life she loves with Zoey and her friends? She finds herself on a collision course with crisis in Dead Ahead.
