

## Killer Whale Rock: A boys adventure in the Alaskan wilderness

When twelve year old Sam Jefferson moves from Arizona to Alaska, he finds himself on the ocean coast with whales in the front yard and bears in the back. He and his brother Roy begin to explore a wilderness of breathtaking beauty and sudden danger. With a cast of eccentric Alaskans, Sam fights off a brown bear, is nearly towed out to sea by a giant halibut, participates in a hilarious woodshed play, and finally, as he and his brother confront the unscalable Killer Whale Rock, learns that courage is not merely physical. Killer Whale Rock is a tale of high adventure and growing character.
