

Cairns (The Unity Church Journal of the Arts Book 4)

The art, poetry and prose in Cairns Vol. 4 suggest a solution to life's problems or hint at a way to enhance our strengths. This issue examines our efforts to comfort ourselves with ritual and ceremony and to take refuge in love. The details of the world around us serve as doorways to awareness. How we respond, how the world changes, and how we struggle to describe it tell us as much about ourselves as about the glory that surrounds us. We also find beauty in everyday things - a baseball game, a set of dishes, Minnesota weather, work, family interactions, a trip to the park, holiday gatherings, comic books, our teachers and our pets. Cairns seeks to incorporate the mystery, the wonder and the pathway into the unknown that a cairn signifies.
