

## Dissonance: Malcolm Stone Book I (Volume 1)

Malcolm is youngest son of Preston Stone, the largest liquor importer on the east coast since the prohibition. His family's affluence has afforded him the opportunity to follow his passion of being a pianist. He married a successful local artist Anabelle Connolly. They appeared to have the perfect life, but it had turned sour. After Anabelle's death, the truth of their marriage can no longer be hidden. Years of Malcolm's carefully constructed lies start unraveling at his feet. Will he be able to pick up the pieces of his shattered life? Dissonance explores and exposes a violent relationship, infidelity, substance abuse, depression, and lies.
