

Mature Mistresses 2 (Mature Mistresses)

About the Book Mature Mistresses is a collection of stories about older women who have affairs with other men. Rosie imagines that her young next door neighbour, Billy, is interested in her because she has a hairy pussy when his pretty little wife, Amy, shaves hers. Imagine her surprise then when she discovers that his lusty gaze is on Amys behalf, because shes bisexual and wants the older woman. Rosies husband, Ken, is willing to let her have her and relive their swinging days, but he wants something in return which leads to some serious swapping fun. About the Author They call her the thinking erotica readers writer and theres a reason for that. Sally Hollister is a trained journalist, with a pedigree in writing fictional drama for theatre and stage plus a screenwriting award, so she approaches the writing of erotica with the same meticulous care and talent she brings to all her work. Her stories are believable with genuine characters, convincing dialogue and action, not adolescent fantasies. She is truly a mistress of the genre, with over 200 stories available on the Kindle, including short stories, collections and novellas.
