

Murders At Gabriels Trails: An Alexis & Bain Love Story

Murders at Gabriels Trails: An Alexis & Bain Love Story (Part One) of this explosive urban series! Twenty-seven year old Bain and the underage fifteen year old Alexis have been secretly in love for one whole year behind the backs of everyone on the outside of Gabriels Trails, one of the roughest neighborhoods known for robberies, brawls and even murders, located on a rather wealthy side of town. When Alexis, the daughter of wealthy parents, ends up deep inside of Gabriels Trails for the first time in the middle of the night, things go terribly wrong, quickly spiraling out of control into a full force of reality, leading her to question one thing - Is Bain really who Alexis believes he is or is there something more sinister behind the man who shes come to love? This is the first book of this new urban series.
