

## Naughty Boys Get Spanked: a collection of F/M femdom stories

Here is a Femdom (F/M) collection written by the inimitable John Benson. The stories represent submissive men, needy for punishment, craving discipline at the hands of strong determined women. Many different settings are explored ranging from fantasy to domestic. The dominant women are housewives, whores, mean mommies, bitch goddesses, with even a sorceress or two thrown into the mix. None of the tales are predictable, and Bensons supremely honed style enables the reader to glide along smoothly before being unexpectedly jolted towards the end of the story when the surprising plot twists become evident.
