

Casey Strikes Again!

Meet Casey, a cat who reads minds and solves crimes. Casey the cat is named after a famous baseball player, as his owner, John, loves sports. He is a beautiful Siamese, with sea-blue eyes and a sparkling gray coat, and he knows it. Casey is not lacking in confidence and has zero modesty-not only because he is beautiful and coordinated and excellently proportioned, but because he has a great gift. He can read minds and influence peoples thoughts. This delightful book is a second collection of witty stories featuring the sarcastic Casey and the man who rescued him as a kitten-a man who Casey finds interesting, funny, and (most importantly) malleable. Together Casey and John listen to the radio, watch football, travel the world and solve crimes, and their antics are surely Nuff to Make a Cat Laugh! as Casey Strikes Again!
