

No Escape: Vol. 1: The Last Days of Diego Black

Time is ticking while Diego Black, former muscle for the infamous drug cartel known as the Brick Boys, tries to find the answers to all three of these questions. Best known for his brutality in the streets before the Brick Boys got dismantled by the Feds, Diego now struggles with the choice of being a new man or allowing his former life to dictate his present situation. But when fate brings certain elements from his past into his present life, the friction sends sparks flying along with a gang of bullets. For Hiram Bricker, redemption comes with a high price. When an unexpected acquaintance from his past resurfaces, demanding to be paid in full, Hiram's faith is tested as he tries to keep his secrets hidden from his family and maintain his facade of being a minister. With his brother behind bars, Hiram turns to his old crew, the Brick Boys, to help him make good on an old debt. But when things start to get heated, everybody reaches for their guns in an attempt to save themselves. Orchestrated with Hiram as the mastermind, a murderous task is forced upon Diego. Now, both Hiram and Diego have to decide how far they are willing to go to protect what they love most. This suspenseful urban drama will keep you on the edge of your seat as the action jumps right off of the pages. You will soon learn how far a man will go if you push him too hard...
