

## Remains of Alexander Knox, Esq., Vol. 4 (Classic Reprint)

Excerpt from Remains of Alexander Knox, Esq., Vol. 4 My Dear Alleck, I wrote a particular answer to your last, a day or two after I received it. Tis well if some one did not intercept it, otherwise I know not how it could miscarry. Your illness will continue just so long as is necessary to suppress the fire of youth, to keep you dead to the world, and to prevent your seeking happiness where it never was, nor ever can be found. Considered in this view, it is a great blessing, and a proof of Gods watchful care over you. I cannot but admire the wisdom and goodness of Divine Providence with regard to you. As you have all the necessaries and conveniencies of life; as you have a tender, indulgent parent; as you have a natural sprightliness and flow of spirits; you must, in all probability, have excited the admiration or affection of your relations and acquaintance, and have placed your happiness therein, had not so wonderful a counterpoise been prepared for you.
