

Aria Kym is a London based Author who specialises in short erotic lesbian fiction. **CHERRY** is the story of Jess's first time, told through the words of her very first lover, who explains exactly what it was like for her, to take a girl's virginity. Follow the couple in this 4300-word short story of Tribbing, oral, fingering and much, much more from the same Author who brought you Clementine. For more information on Cherry, Clementine or any of the other titles available, including excerpts, and sneak peeks of the stories soon to come, visit www.ariakym.com
