

Rumo: And His Miraculous Adventures

Rumo is a little Wolperting who will one day become the greatest hero in the history of Zamonia. Armed with Dandelion, his talking sword, he fights his way across Overworld and Netherworld, two very different realms chock-full of adventures, dangers, and unforgettable characters: Rala, the beautiful girl Wolperting who cultivates a hazardous relationship with death; General Ticktock, the evil commander of the Copper Killers; Ushan DeLuca, the finest and most weather-sensitive swordsman in Zamonia; Volzotan Smyke, the corpulent Shark Grub; Rolv of the Forest, a Wolperting who can pass through the White Fire; Yggdra Syl, the guardian of the Nurn Forest and its talkative animals; Professor Abdullah Nightingale, inventor of the Chest-of-Drawers Oracle; and, the worst of luck, the deadly Metal Maiden. Astonishingly inventive, amusing and engrossing, Rumo is a captivating story from the wildly fanciful imagination of Walter Moers.
