

Running for the Guv

Blake Guv is a starving young attorney fresh out of law school, desperately trying to get new clients. As a last hopeless gamble to obtain some publicity and a few clients, he foolishly enters the race for Governor of his state as an independent candidate. But then a series of unexpected events shove him to the front of the race, and Blake is forced to start taking the campaign seriously. However, that is the last thing in the world Blake wants--since he hates politics with a passion!
