

Siblings

When tragedy strikes on an Australian coastal road, orphaned twins Jared and Asha are thrust into a new way of life in America with family they've never even met. Sometimes humorous, sometimes haunting, *Siblings* is a vignette journey through candid snapshots and remembered moments of Asha's life. *Siblings* is an engaging tale that touches on the loss of childhood innocence, of coping with grief and struggling through the adversities of being a teenager, and ultimately it is a reminder of the rewards that await perseverance, in life and in love.
