

Adora finally had enough of her step mothers endless banter. She knows that this move will break her best friend, Jacks, heart but it is something she feels she must do. Adora will be joining her mother in the Monterey Bay area of California. Now, she finds herself in the middle of an ancient battle between a family she didnt know she had and a necromancer. Adora cant be sure who her true friends are, and her allies comes from an unlikely source.
