

The Making of Perfect Soldiers: The sequel to Maggies Wars

Confused and dazed about the news of her lover Johnny Peros death, Maggie Hogan delves back into her work as a war correspondent. As war breaks in Korea, she fights for survival in battle as well as the obstacles faced as a rare female war reporter. Blocked with censorship and shocked by unexpected astounding events, Maggie fights her way to success finally gaining the notoriety she so ambitiously wanted. But, it is not enough. New fronts find her in the ravaged streets of Budapest during the Hungarian Revolution and later the beginning confusion and bloodshed in Vietnam. Determined to finally tell the truth of past stories, while still wrestling with her personal life and love, Maggie makes hard choices, choices that could bring on more danger and greater foes. Maggie is a woman who does not give up, no matter what or who tries blocking her way.
