

# The New Land (Stories of Jews Who Had a Part in the Making of Our Country)

Big Ten Country - A Journey Through One Football Season was the second book published by author Bob Wood. Released in 1989, the book follows the 1988 Big Ten conference football season by visiting each of the ten universities over ten successive weekends. Just as in his first book, Dodger Dogs to Fenway Franks, Wood rates the universities and their towns on everything from restaurants and bars to mascots and tailgating fans.
