

Edgar Allan Poe: How to Know Him (Classic Reprint)

Poe has suffered a strange fate. Nobody ever doubted his genius, but his genius has clouded and rendered spectral and remote his personality. He is popularly regarded as a manufacturer of cold creeps and a maker of shivers, a wizened, self-centered exotic, un-American and semi-insane, who, between sprees or in them, wrote his autobiography in *The Raven* and a few haunting detective stories. This book is an attempt to substitute for the travesty the real Poe, to suggest at least the diversity of his interests, his future-mindedness, his sanity, and his humanity. Old-world voices are requisitioned to speak for him, and he in turn through the wide gamut of his work is permitted to speak for himself. C. A. S. (Typographical errors above are due to OCR software and don't occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
