

The Seekers: The Kent Family Chronicles, Book 3

The end of the colonies fight for independence ushers in a fresh and even more glorious struggle to build the new nation. It is an epoch ripe with the energy of a country in its springtime. Two young heirs to a family dynasty turn their eyes west - the frontier beckons. It took a special breed to give up the comfortable life along our eastern seaboard. Who knew what lay beyond? But when Abraham Kent fell in love with his beautiful stepsister, he knew that leaving was the only course open to him. The Seekers is the third in the Kent Family Chronicles following The Bastard and The Rebels.
