

Faraway Hill Book Three (Volume 3)

Welcome back to the charming little town of Faraway Hill, New Hampshire, where murder, deception and scandal are a way of life. Faraway Hill is an entertaining trilogy that re-imagines network television's first soap opera as a very modern tale while retaining many of the wonderfully ridiculous, melodramatic conventions that soap fans love --- and very contemporary LGBT characters and stories. The trilogy reaches its climax with the people of Faraway Hill mourning one of their own; a new bride faces what could be the biggest scandal of her young life; a bisexual love triangle reaches decision time for the parties involved; and a glamorous murderer is about to face the ultimate justice at the hands of a secret society.
