Save when you buy the bundle! The four books of this series retail for \$11.99 when bought individually. Taken by Surprise: Luke has finally captured the giant wolf that's been picking off cattle. He knocks the beast unconscious and locks it in his barn. When he returns, he finds James, a mysterious stranger, in the wolf's place. Luke can't resist the urge to take advantage of him. But upon waking, James has other plans in mind. Stalked by the Wolf: Luke's friends know that he let the captured werewolf escape. Luke must find James before his friends do. He never suspected that James might want to be found... Claimed by the Pack: James needs to solidify his new pack, and Luke is his gift to them. Luke is desperate to escape. But when three eager werewolves descend on him, will he even want to? Fated for the Alpha: Luke has done all that James has asked of him, but James wants more. He asks Luke to join him as his Beta, his second-in-command. Will Luke be able to give up everything for the dominating werewolf? Warning! This 13,100-word collection contains reluctant consent, bondage, submission, masturbation, gagging, fingering, whipping, the delicious deflowering of a virgin, first time oral, anal, a werewolf determined to have his way, transcendent bukkake, rimming, biting, shifted sex, knotting, and a werewolf who knows when to submit. Intended for adults only.
