

Trent is a Slut

Thirty-two year old, Trent Hill hated to admit he enjoyed shallow hookups, but, he did. Being handsome and rich, Trent simply had no interest in messy strings which attached people to him. But lately, he was gaining a reputation as a slut simply because he did not reciprocate the acts of sex men desired from him. Parry Brampton was a computer geek and worked for himself building websites. Having reached twenty-eight years of age, Parry was not out, insecure about his looks, and a virgin. While in West Hollywood at restaurants and clubs, Parry sees a handsome man several times, and then learns through the gossip surrounding him that the mans name is Trent Hill. Andhes a slut. Parry desires Trents attention, but every time Trent sees Parry, he looks right through him, as if he wasnt there. Weary of being invisible, Parry sets up a fake profile on a social network, and pretends to be a model, friending Trent and starting a dialogue with him, catfishing him. And Trent takes the bait. But when Trents pressure to meet-up with this made-up individual becomes too much, Parry faces the consequences of his fraudulent deed. The virgin and the slut. Parry was willing to do anything to get to know this handsome man, and maybe the geek had what it took to change Trent Hilland attach those dreaded strings.
