

Tricksters Last Prance: An Archetypal Memoir

Tricksters Last Prance chronicles the personal exploits of one John Doe-Doe, who suffers from an excess of trickster energy. His insensitivity to his surroundings and lack of common sense lead to all sorts of socially unacceptable behavior, leaving a path of destruction in his wake. Ignorant, inept, or maybe ingenious, John Doe-Doe is the anti-hero of the ages, as he unwittingly forces his interpretation of reality into a mold that just wont budge. Be prepared to laugh uncontrollably, squirm uneasily, or both simultaneously. Easily offended readers are warned.
